EMCOMMWEST / Pacificon

Bob Vallio, W6RGG
ARRL Pacific Division Director

Pacificon 2009 will be hosted by EMMCOMMWEST, May 1, 2, and 3, at the Circus Circus Hotel, Reno, NV

The Mt. Diablo Amateur Radio Club (MDARC) has decided not to sponsor the Pacificon Convention this year. This decision was made based on the current economic downturn and on unsuccessful negotiations with the host hotel. Realizing the difficulty of finding a replacement for the MDARC event, which spends nearly a year planning this successful event, I decided to contact EMMCOMMWEST, the second largest Amateur Radio Convention in the Pacific Division. They very kindly accepted the marriage of the two events, which requires an expansion of program matter, and the addition of Friday presentations. MDARC has been very supportive of this effort, and is making all of their speaker, vendor, and organizational information available to the EMMCOMMWEST team

More information is available at www.pacificon.org.
